

Private Vehicle Material Handling Rates and Procedures

Due to union regulations and safety considerations, Freeman will have exclusive control of the loading dock during the **TX WOODWORKING SHOW** move-in and move-out.

All exhibit materials which cannot be hand-carried in one trip from the parking lot will be unloaded at the dock, by Freeman personnel, at the following rates:

CAR: \$ 65.00 per vehicle

PASSENGER VAN or PICK-UP: \$ 130.00 per vehicle

Service to include:

- Unloading and delivery of exhibit materials from the dock to booth
- Storage of empty containers during show hours and return of crates and containers at end of show.
- Delivery of exhibit materials/containers from your booth to the dock and the loading of materials into vehicle.

Charges to be paid at the Service Desk, NOT at the dock.

The above rates and procedures apply **ONLY** to passenger size vehicles. **NO** trucks or commercial vehicles will be unloaded at these rates. See the enclosed Material Handling Order Form for material handling rates for trucks and commercial carriers.
